Words from our Scholarship Recipients

I will graduate in December 2021 with zero debt. I say this because I want you all to know how of an advantage I have been given over my peers, because of your organization and the commitment to support young college students like myself. I have the utmost gratitude and appreciation... Furthermore, my mother is ill and unable to work, and this scholarship meant a lot to our entire family. So, thank you from the bottom of my heart.

James Baker III

The scholarship gave me a second chance at finding who I am and what I am supposed to do in life. It has been such a blessing in my life. I will be forever thankful for the ladies who believed in me and gave me a chance to be successful.

Kayla Franco

Thank you for supporting the HLSR Junior Commercial Steer Program. Without your contributions this program would not be possible. Thank you!

Hallie Hackett
